

The Puzzle Collection

Functionality at its finest.

Roca

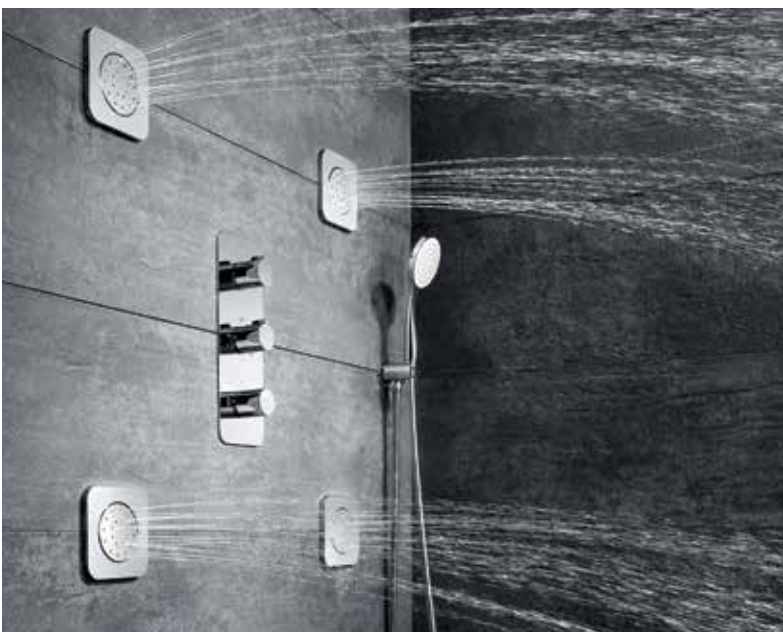

Roca Showers

Roca believes that shower spaces should be a place of peace and tranquility. And they have done so with the Roca shower collection that fits seamlessly in the space available and also meets the expectations of any user. Keeping this ethos in mind, we aim at offering complete shower solutions that will allow you to soak in ultimate rejuvenation. A pioneer in elegant bathroom solutions, Roca has recently launched a contemporary and multi-functional shower collection unlike any other.

Puzzle Collection

The collection is a concept designed to elevate a normal bathing experience to a new level of luxury. Each element of the collection is customizable to the users' preference. The various combinations and settings deliver a rejuvenating; personalized experience while the craftsmanship showcases the latest in contemporary style.

The Puzzle Collection by design is an ode to comfort. Meticulously crafted with 6 rejuvenating body jets and a compact hand shower, the collection is a beautifully made contemporary masterpiece. These body jets provide an almost 360° bathing experience and the hand shower helps with those hard to reach places. The set up houses 3, 4 and 5-way diverters that allow you to control the flow of water between multiple shower outlets and a thermostatic feature for complete control over temperature.

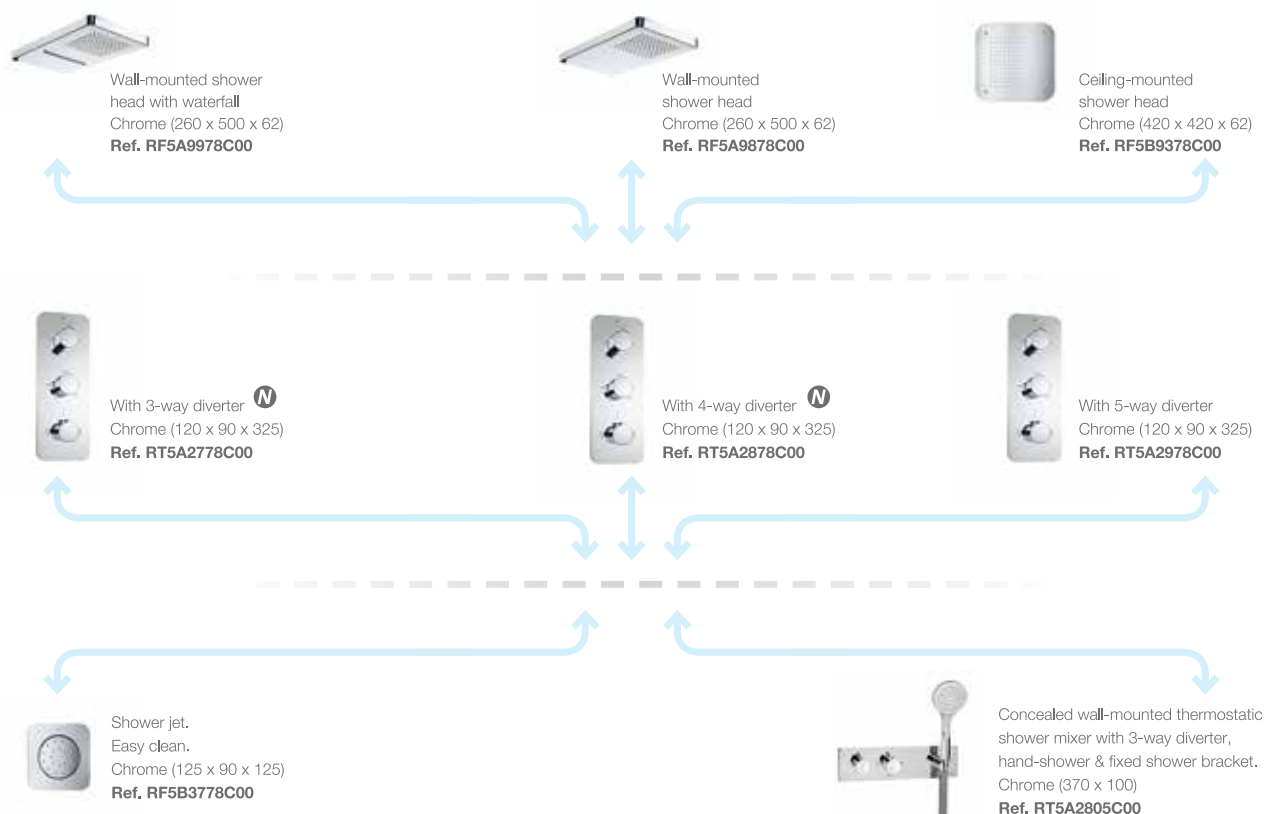

Customize your shower space.

MODULABLE SYSTEM

Puzzle allows to create multiple shower spaces as per the needs of the user, providing them with all the comfort and benefits of the hydromassage.

Elements of the Puzzle Shower Collection and the relationship between them
